

**EMERGENCY PROCEDURE FOR OCCUPANTS**

**WITH A DISABILITY LOCATED AT**

**SP82306 STONECUTTERS 5 TAMBUA ST, PYRMONT NSW 2009**

- In the event of the emergency evacuation tones being sounded or in the event of a fire, all occupants with a disability are required to WAIT inside their specific unit for the NSW Fire Brigade to attend.
- Evacuation will be at the NSW duty officer's discretion and may not be applicable to all occupants depending on the location of the fire in the building.
- Anyone with a disability should provide the following information to Building Management (phone 0429 460 849 or email [ricky@manage-meant.com.au](mailto:ricky@manage-meant.com.au)) so that it can be forwarded to the NSW Fire Brigade for their records.
  - 1) Your type of disability
  - 2) Your exact location within the building

Please feel free to contact our office or speak to Building Management should you require any further clarification.

Kind regards,

Aspire Fire & Electrical Services Pty Ltd
