

NEW SECURITY COMPANY

Our new security provider Sentinel Security Group has taken over from AFS. We thank the AFS guards for their service over the past 9 years - we will miss Rabindra, David and Sikanderveer especially.

Please welcome the new guards as they learn the ropes and familiarise themselves with the complexities of our wonderful estate. And please be patient while they find their feet.

OUR TENNIS COURTS

JL Tennis courts are mainly for use by JL residents, and residents can employ a coach, provided the resident makes the booking and is present for the lesson.

Two slots a week are available for social tennis and all residents are welcome. Non-residents can hire the courts Monday to Saturday.

Rules are made to enable use by as many residents as possible, and can be downloaded from the JL website

FASTEST GROWING FIRE RISK

Recent media reports highlight the fire risk of lithium-ion batteries, most commonly in e-bikes and e-scooters.

Strata committees are investigating ways to reduce the risks, and Fire & Rescue notices are posted in all buildings.

The Community Association has agreed to keep this issue on meeting agendas, and share updates throughout the JL community.

Check out advice on charging these batteries safely: fire.nsw.gov.au/chargesafe.

DOLLAR JILL'S JOURNEY TO PYRMONT

On Sunday 17 March at 5pm, Carol Limmer will review her lifetime of social change and empowerment of women.

Join us at the Station to hear the talk and stay for the drinks and nibbles - donations welcome.

ANYONE FOR TABLE TENNIS?

Gana Somayanda, perhaps the most enthusiastic table tennis player in Jacksons Landing, has succeeded in persuading the Community Association to install a table in the Station.

Residents will need to book the Station for an hour, provide their own bats and balls and collect the net from the Gatehouse, and return the table to the cupboard at the end of their session.

Station availability can be seen on the website: jacksonslanding.net.au/facilities/station/

Details will be added shortly.
