

Jacksons Landing is a wonderful place to live. We all live in a strata plan of one or more buildings managed by a strata committee of resident volunteers, supported by their own strata manager, building manager, cleaning company and security contract.

We also have community facilities - the Station, a community meeting room, tennis courts, Glasshouse swimming pool and gym, website, an IT access system and a security service - that provide recreation, information and security for all our residents.

Our Community Association (CA) consists of all the stratas, managed by a committee and 3 subcommittees - Assets, IT and Finance and Services - also made up of resident volunteers.

The CA needs new blood for its committee and subcommittees. Each strata will soon have its Annual General Meeting (AGM) to elect its committee and representative (called a proxy) to the CA.

Interested in contributing to our community? Talk to Mary (0410 679 204) or Neville (0408 104 037) if you have time and experience managing assets, IT or finance and contracts. Anyone is welcome to join a subcommittee - come to the CA AGM at the Station on 9 October to find out more.

PYRMONT SUPPORTS

Pyrmont Support aims to provide mutual support to help each other remain independent and enjoying social contact for as long as we can.

Members meet weekly for coffee and chat, and quarterly for brunch and interesting talks. Check out the website for details: pyrmontsupports.org.au

HISTORY SINCE 9/11/2001

The history talk presents a three-generational view of the last two decades, as seen from members of the Hickson family.

The grandfather, with a career embedded in materials, sees China's emerging physical impact on the world as 'historic'. The granddaughter feels the social changes wrought by the mobile phone and internet are the most 'historic'. The son, managing automation and grappling with technology's realities and limits, assesses emerging AI as the biggest change.

On Sunday 15 September at 5pm join us at the Station to hear the talk and stay for the drinks and nibbles. And some of us go to dinner afterwards at the pub - all welcome to join us. Enquiries Peter 0450 974 848.

R U OK? DAY & SPRING PLANT SWAP

Catch up with your neighbours on Monday 9 September 10:30am to 1pm at Maybanke Centre, 87 Harris St. Bring a pest free spring plant, bulb or cutting and gardening books to swap and discover how gardening can be a wonderful strategy to stay active and boost your mental health.

Discover the relaxing and therapeutic world of crochet. Our crochet group is hosting a special session in the meeting room. Whether you're a seasoned crocheter or a complete beginner, come and experience this calming activity.

And pick up some valuable tips on taking care of your mental health and supporting others from Rob Ferguson (Mandala counselling services).
