BULKY ITEMS DISPOSAL PROCEDURE.

Recently the Recycling Cage and Garbage Bin Storage Room have been overloaded with bulky items requiring disposal.

As a reminder to all residents of Antias our Contract with the Cleaning Company, Aster, does not include for the disposal of bulky items left by residents.

When residents purchase new household items e.g; white goods, TV's, furniture and mattresses, they should also arrange for the disposal of the replaced items.

Council will assist residents in arranging for a collection of bulky items as advised in the enclosed Notice. Contact Council on 9265-9333 or refer to web site at council@cityofsydney.nsw.gov.au.

The small Recycling Cage is purely for items which can be recycled and the Bin Storage Room is for garbage bins only. Access to the bins by the cleaner must be maintained at all times.

Residents moving into or departing from Antias are responsible for disposing of excess items and should make their own arrangements to dispose of unwanted items. Should items be left, the cost of disposal will be deducted from the Moving Bond.

Your full co-operation would be appreciated.

Regards

Antias Strata Committee
