

FLEETVIEW

Application to install Air Conditioner – Strata Plan 65564

Complete the form below to request approval to install a split system air conditioner.

Please read Fleetview **By-Law 18** prior to submitting the application, particularly **clauses 18.4, 18.5 and 18.6** which are related to noise rating and disposal of condensation water.

Include the following with the application form:

- A diagram of the proposed location of the indoor and outdoor units.
- Specifications of the proposed air conditioning system clearly indicating the maximum sound pressure noise level (**which must not exceed 55 dBA**).
- A quote clearly indicating the inclusion of an **evaporation tray**.

Contact Number:

Proposed Air Conditioning Unit:

Make:

Model:

Max Sound Pressure dBA:

Note: If possible, do not locate the outside unit directly next to a balcony balustrade as it creates a safety issue for children and pets.

Note: Conduit, ducting, etc should only be painted in either *Dulux Spiced Incense* or *Dulux Radiant Orange*, *Dulux Black Caviar* or *Dulux Powdered Rock* to match the colour scheme of your balcony.

Please send the application form and supporting documentation to the Building Manager or the Strata Manager. The strata committee will review your application and provide a response within 14 days of receipt.
